

LEARN TO ZOOM! TECH LITERACY FOR SENIORS

Come on out to a free workshop and learn how to use Zoom!

Zoom is an online video chat service that you can access and use for free. It is an excellent way for seniors to see and hear from distant family, friends, business associates, and health care providers using their computer, smart phone, or tablet. If you want to learn more and receive individual assistance getting started with Zoom, please attend this free 90 minute workshop and tutoring session at the Lighthouse Community Hall. Brought to you by our friends at Oceanside Building Learning Together and The Technology Learning Center. www.oblt.ca

**Monday May
2nd
10AM**

Free Workshop!

**Equipment to use on
site**

**Or bring your own
device!**
